108–114 Golden Lane  
LONDON  
EC1Y 0TL

The trustees present their report and the financial statements for the year ended 31 July 2018.

Reference and administrative information set out on page 1 forms part of this report. The financial statements comply with current statutory requirements, the memorandum and articles of association and the Statement of Recommended Practice – Accounting and Reporting by Charities: SORP applicable to charities preparing their accounts in accordance with FRS 102.

## **Objectives and activities**

### **Purposes and aims**

The activities of the charity are grant making in the fields of vocational education, especially hair and beauty sectors, and research into the relief of disfigurement.

The charity's vision is: Supporting a better future for people with disfigurement.

The purposes of the charity are:

- 1) the advancement of education, research and public dissemination of knowledge in:
  - a. the art and technology of Health and Beauty Therapy
  - b. the skills and knowledge required for other vocational employments including those in the well-being, public and service industries
  - c. the impact and treatment of physical disfigurement and all kindred arts and sciences
- 2) the relief of sickness or poor health caused by physical disfigurement and the assistance of those with physical disfigurements, their families and carers to overcome any social, physical, psychological, emotional or other disadvantage.

The strategies employed to achieve the charity's aims and objectives are to:

- 1) partner with well managed charities and research institutions
- 2) support projects where match funding is available through grant making and consultancy
- 3) Award a mix of small and large grants to support both major long term projects and smaller pilot projects
- 4) keep the charity's running costs to a minimum
- 5) disburse the funds over a fixed time period and not to fundraise for further funds
- 6) only fund projects carried out by UK based charities working in the UK

The trustees review the aims, objectives and activities of the charity each year. This report looks at what the charity has achieved and the outcomes of its work in the reporting period. The trustees report the success of each key activity and the benefits the charity has brought to those groups of people that it is set up to help. The review also helps the trustees ensure the charity's aims, objectives and activities remained focused on its stated purposes.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning its future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives that have been set.

## **Achievements and performance**

The charity's main activities and beneficiaries are described below. All its charitable activities focus on grant making and are undertaken to further The VTCT Foundation's charitable purposes for the public benefit.

The charity has identified that it is important that it is familiar with the needs and activities of organisations working in the field of visible difference. Therefore, the charity is funding the Appearance Collective. The Appearance Collective brings together representatives of charities working with visible difference to attend conferences and workshops on topics such as fundraising, research and information. The aim of the Collective's strategy is to help smaller organisations to achieve long-term sustainability and to encourage cooperative working and a unified voice on issues connected with visible difference.

As part of the project funded by VTCTF the Centre for Appearance Research is working closely with the Appearance Collective to identify key areas of research leading to evidence based interventions and providing bespoke training.

The Appearance Collective was active during the year sharing research and information in four newsletters. The Centre for Appearance Research delivered three workshops to the Collective members. Members were also invited to a grant holder showcase event at the Royal College of Surgeons in July where award holders shared their project and research progress to date.

The trustees raise awareness of the charity and its work through the charity's website [www.vtctfoundation.org.uk](http://www.vtctfoundation.org.uk), membership of the Appearance Collective, attendance at conferences and membership of steering committees.

The trustees have agreed a portfolio of grants covering a spectrum from research to patient support. Applications were received via the above website or through direct contact with patient organisations and researchers. Each application is assessed against the Foundation's grant making criteria and applicants are supported to make the best possible application by a part-time Grant Applications Manager.

During the year the Foundation approved new grants to the following organisations:

- Cleft Lip and Palate Association – research and develop adult services, in particular targeting hard to reach communities;
- Changing Faces/UCL – develop and deliver school based interventions to combat bullying and prejudice against people who have a visible difference;

## The VTCT Foundation

### Trustees' annual report

#### For the year ended 31 July 2018

---

- Oxford University Hospitals NHS Foundation Trust –Working with Oxford Facial Palsy to develop targeted Patient Information and Therapy Guides;
- CLEFT – Bridging the Gap – to fund the ATiT web component of the Parent Led Articulation Project, training parents to deliver speech and language therapy;
- Headlines Craniofacial Support – part funding to employ a part-time CEO for 2 years.

In April 2018 the trustees also agreed to start a Small Grants Programme to give easier access to grants of up to £25,000. The funds are to support charities working in the visible difference field, to enable them to develop activities and increase capacity. The first grants were awarded in September 2018 after the financial year end. The initial programme will run until December 2018 after which the trustees will decide whether to continue with a second round of funding.

### Financial review

The only income received by the charity is bank interest and investment income. The charity does not actively raise funds from other sources.

Total expenditure during the year was £741,777, of which £721,183 (97.2%) related to grants. (2017: £1,543,824 of £1,557,734 (99.1%)). Where grants cross a number of years, they have been discounted within the financial statements in accordance with FRS 102.

### Reserves policy and going concern

The charity was formed through a grant from the Vocational Training Charitable Trust of £8.58 million in 2015. The trustees envisage utilising these funds over 10 years to pursue the charity's objects and as such, expect the reserves available to reduce as the charity continues grant making. At 31 July 2018 the charity had free reserves of £6.62 million.

The charity has minimal operating costs and the trustees believe there are sufficient reserves available for the charity's operational life.

### Structure, governance and management

The organisation is a charitable company limited by guarantee, incorporated on 7 October 2013 and registered as a charity on 16 January 2014.

The company was established under a memorandum of association and is governed under its articles of association which state the objects and powers of the charitable company.

All trustees give their time voluntarily and receive no benefits from the charity. Any expenses reclaimed from the charity are set out in note 5 to the accounts.

## **Appointment of trustees**

Trustees are appointed by application and interview. The charity has identified the skills mix needed for the Board and invited a range of applicants with relevant skills to apply. Applicants are interviewed by current board members and given an induction on the work of the charity and the role of a trustee. During the year the Trustee Board included a trustee who was also a trustee of the Vocational Training Charitable Trust (VTCT) Awarding Board, however the VTCT does not have any influence over the decisions of the Foundation Board. The trustee retired from his position at VTCT in July 2018.

In 2016/17 the Board identified that it would like to widen its range and diversity and sought additional trustees – in particular with skills in NHS structure and funding, research, lived experience and business acumen. Subsequently two new trustees have been appointed, Prof. Nichola Rumsey OBE, a research psychologist, and Prof. Naiem Moiemmen FRCS, plastics and burns Consultant Surgeon at University Hospital Birmingham. Both bring a wealth of experience to the Foundation.

## **Related parties and relationships with other organisations**

The charity has no subsidiary entities. VTCT continued to provide accounting and bookkeeping services until April 2018. This was supported by a Shared Services Agreement. From April 2018, these services have been provided by an independent accountant.

As previously stated the Centre for Appearance Research works closely with the Appearance Collective as part of the project funded by the VTCT Foundation. Prior to joining the Board of the Foundation Prof. Nichola Rumsey retired as Professor at the Centre for Appearance Research at the University of the West of England. She remains Professor Emerita.

During the year to July 2018 both Prof. Nichola Rumsey and Prof. Naiem Moiemmen were trustees of the Scar Free Foundation (SFF). However, restructuring of the SFF Board facilitated their recruitment to the VTCT Foundation as they were standing down as trustees of SFF. This helps to manage any potential conflicts of interest.

## **Statement of responsibilities of the trustees**

The trustees (who are also directors of The VTCT Foundation for the purposes of company law) are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

Trustees' annual report

For the year ended 31 July 2018

---

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charities SORP
- Make judgements and estimates that are reasonable and prudent
- State whether applicable UK Accounting Standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Members of the charity guarantee to contribute an amount not exceeding £10 to the assets of the charity in the event of winding up. The total number of such guarantees at 31 July 2018 was 6 (2017: 4). The trustees are members of the charity but this entitles them only to voting rights. The trustees have no beneficial interest in the charity.

The opinion of the trustees is that the company is entitled to the exemptions conferred by Section 477 of the Companies Act 2006 relating to small companies.

The trustees acknowledge the following responsibilities:

- The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

The trustees' annual report has been approved by the trustees on 11 January 2019 and signed on their behalf by

Rosanna Preston  
Chair of trustees

## **Independent examiner's report**

**To the trustees of**

**The VTCT Foundation**

---

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 July 2018.

This report is made solely to the trustees as a body, in accordance with the Charities Act 2011. My examination has been undertaken so that I might state to the trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the trustees as a body, for my examination, for this report, or for the opinions I have formed.

### **Responsibilities and basis of report**

As the trustees of the charity (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1 Accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 The accounts do not accord with those records; or
- 3 The accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
- 4 The accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The opinion of the trustees is that for the year ended 31 July 2018 the company was entitled to the exemptions conferred by Section 477 of the Companies Act 2006 relating to small companies.

The trustees acknowledge the following responsibilities:

- (i) The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476
- (ii) The trustees acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

Approved by the trustees on 11 January 2019 and signed on their behalf by

Rosanna Preston  
Trustee

The VTCT Foundation

## 1 Accounting policies

### a) Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (August 2014) and the Companies Act 2006.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy or note.

### b) Public benefit entity

The charitable company meets the definition of a public benefit entity under FRS 102.

### c) Going concern

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.

The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

### d) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and that the amount can be measured reliably.

### e) Investment income

Investment income is included in the statement of financial activities when receivable.

### f) Fund accounting

Unrestricted funds are donations and other incoming resources received or generated for the charitable purposes.

### g) Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity heading:

- Expenditure on charitable activities includes the costs of grant making undertaken to further the purposes of the charity and their associated support costs

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

**1 Accounting policies (continued)**

**h) Grants payable**

Grants payable are made to third parties in furtherance of the charity's objects. Single or multi-year grants are accounted for when either the recipient has a reasonable expectation that they will receive a grant and the trustees have agreed to pay the grant without condition, or the recipient has a reasonable expectation that they will receive a grant and that any condition attaching to the grant is outside of the control of the charity.

Where grant commitments are made for periods due in more than one year, these are discounted to their present value, based on a rate in line with the expected rate of return on investments.

**i) Allocation of support costs**

Resources expended are allocated to the particular activity where the cost relates directly to that activity.

Governance costs are the costs associated with the governance arrangements of the charity. These costs are associated with constitutional and statutory requirements and include any costs associated with the strategic management of the charity's activities.

**j) Investments**

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. Any change in fair value will be recognised in the statement of financial activities and any excess of fair value over the historic cost of the investments will be shown as a fair value reserve in the balance sheet. Investment gains and losses, whether realised or unrealised, are combined and shown in the heading "Net gains/(losses) on investments" in the statement of financial activities. The charity does not acquire put options, derivatives or other complex financial instruments.

**k) Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**l) Creditors**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently discounted as explained above for grants payable.

## 2 Income from investments

|                   | 2018<br>Total<br>£ | 2017<br>Total<br>£ |

| Cleft – Bridging the Gap       | 21,668                   | –                             | 21,668         | –                |
| Sheffield University           | 19,152                   | –                             | 19,152         | –                |
| Facial Palsy UK                | –                        | –                             | –              | 26,300           |
| The University of West England | –                        | –                             | –              | 914,340          |
| The Katie Piper Foundation     | –                        | –                             | –              | 550,952          |
|                                | <b>683,053</b>           | <b>(8,806)</b>                | <b>674,247</b> | <b>1,516,592</b> |

Where grants payments are due in more than one year, these are discounted back to present value in line with the charity's accounting policies.

## 5 Net (expenditure) for the year

This is stated after charging:

|                                             | 2018<br>£ | 2017<br>£ |
|---------------------------------------------|-----------|-----------|
| Independent examiner's fees (excluding VAT) | 2,100     | 2,000     |

The charity trustees were not paid or received any other benefits from employment with the charity in the year (2017: £nil). No charity trustee received payment for professional or other services supplied to the charity (2017: £nil).

Trustees' expenses represents the payment or reimbursement of travel and subsistence costs totalling £929 (2017: £1,186) incurred by 4 members (2017: 4) relating to attendance at meetings of the trustees.

## 6 Related party transactions

During the year one of the trustees, Tony Lau Walker, was also a trustee of Vocational Training Charitable Trust (VTCT). VTCT provided accounting and bookkeeping services supported by a Shared Services Agreement until April 2018.

Professor Nichola Rumsey was also a trustee of the Scar Free Foundation during the year. VTCT Foundation has an outstanding grant commitment of £600,000 to Scar Free Foundation, but no payments were made during the year ended 31 July 2018. Professor Rumsey is also co-director and provides consultancy to the Centre for Appearance Research (CAR) at the University of the West of England (UWE). £200,000 was paid to UWE/CAR in September 2017 under a grant agreement made before Professor Rumsey became a trustee of VTCT Foundation. The remaining grant commitment to be paid in future years is £800,000 before any discounting. Any future payments to CAR will require approval by all the other trustees rather than a simple majority.

There are no other related party transactions to disclose for 2018 (2017: none).

There are no donations from related parties which are outside the normal course of business and no restricted donations from related parties.

## 7 Taxation

The charitable company is exempt from corporation tax as all its income is charitable and is applied for charitable purposes.

## 8 Investments
