Factors driving change

Increasing unmet needs
And waiting lists

But we'll also have less
income

Strategic review (due to be
complete Spring 2026)

Changing Faces Connect:

Bringing more people together, quicker, through a range of services and support

- More, simpler, faster routes into services
- Digital connections - online peer support groups and forum
- User-led content, self-help info and webinars
- Meaningful and impactful communities of volunteers

Changing Faces Connect:

Further aims

Transform support and information line –
much faster access

Grow support for children and young
people and their families

Changing Faces Connect:

Working with other organisations

- Mutual referral pathways
- Sharing learning and insights
- Collaboration (eg info / webinars / influencing and campaigning)

Thank you VTCT
